## **INTERNET BANKING PROTECTION PACKAGE**

Designed to Address the Needs of Community Banks

The Internet Banking Protection Package is designed to fill the gaps in the existing insurance program whether you have a simple web site, Internet or PC home banking, bill pay, etc. The risks of Internet banking are both obvious and unknown. The following will point out some obvious hazards:

- Affirmative board-form coverage for suits arising from Internet banking activities
- Coverage for suits alleging invasion of privacy
- Coverage for advertising injury including libel, slander and defamation
- Coverage for intellectual property claims such as copyright and trademark infringement
- Hackers, Crackers and Virus
- Employee Sabotage
- Fraudulent Funds Transfers initiated by voice, fax, email or Internet access
- Damage/Destruction of data or computer programs

Banking regulatory agencies are requesting insurance coverage and so are auditors.
